

UPDATE ON HAPPENINGS AT WCEGA PLAZA & TOWER

Scissor Lift

The Management has purchased a scissor lift for high level maintenance work such as replacing faulty lift lobby ceiling light, replace lamp post bulb at Tower driveway and roundabout, trouble shooting of electrical line fault at Plaza ceiling area and checking of leaking pipe at high ceiling area. With the scissor lift, the technicians are able to carry out high level maintenance work safely.

Car Park at Plaza Rooftop

The Management Corporation have renewed the rental of Plaza rooftop contract with M/s Repoco Agency. Occupants who wish to have additional paid parking lot may contact Ms Pang at Plaza level 10. We wish to remind Plaza occupants that vehicle registered under strata red lot are to park their vehicle within the unit's strata red lot, failure which the security staff will proceed to wheel clamp.

Lunar 7th Month Festival & Incense Burning

The lunar 7th Month Festival starts on 1 August 2019, the management wish to remind all occupants they are not allowed to burn incense papers within the building including common area as these activities may pose a fire risk. We have placed incense burners at Plaza main entrance and at Tower loading bay area to facilitate the burning of incense papers.

Units organizing dinner cum entertainment program eg. "getai" show and/or karaoke session are advice to apply permit from the Singapore Police Force. As there are private residential units nearby, organizers of such events are to keep the noise level down.
