

# UPDATE ON HAPPENINGS AT WCEGA PLAZA & TOWER

## Fire Drill Exercise

The fire drill exercise is mandatory by Fire Safety Regulations and was successfully carried out on 18 December 2019. Due to heavy rain, the assembly point is relocated at the loading bay. We take this opportunity to thank all participants for their support to make the exercise a success.

## Fire Certificate Renewal Inspection

Under SCDF regulations, it is mandatory to renew yearly the fire certificate for Wcega Plaza & Tower. Please be informed that the fire certification renewal inspection is schedule on **4 January 2020 (Saturday)**. During the inspection, there will be temporary electricity shut down from 9am to 12 noon. Please back-up all documents in your computer system and important equipment/machinery in your unit. We apologized for the inconvenience caused.

## Repair & Redecoration (R & R) Programme

In order to enhance safety and to deter fast moving vehicles at Plaza ramp area, new concrete humps are constructed from level 1 to level 9. The new concrete hump is 1 metre wide and with a gap in between to prevent stagnant water. Drivers are encouraged to keep in lane and drive with care as there is always heavy traffic flow at the ramp area.

## In Closing

We take this opportunity to wish all occupants of Wcega Plaza & Tower:
