Encroachment and illegal dumping at common areas

Dear Sir/Madam

This is to inform that placing or dumping of any items, eg bulky or unwanted, at all common areas, is strictly prohibited. The Management or the MCST is not responsible for any items located at all common areas, eg theft or damage. Common areas are not meant for storage purposes.

Kindly take note that it is an offence under the Fire Act, to cause obstruction to common fire escape routes of the building. All common corridors, lift lobbies, staircases and areas used as fire escape routes must be kept clear of any obstruction at all times.

We would like to remind everyone, that the penalty for non-compliance of the Fire Hazard Abatement Notice issued by Singapore Civil Defence Force (SCDF), is a fine up to \$10,000 or a jail term up to 6 months or both.

All building occupants are to arrange for proper disposal of their unwanted items, at their own costs. Alternatively, please contact the Management Office for further assistance if needed.

Thank you for your kind attention and full co-operation in this matter.

Yours truly,

Glenn Lim
Complex Manager
For and on behalf of MCST 3564
