Unauthorized usage of common electricity and water supplies

Dear Sir/Madam

Of late, the Management was alerted to incidents whereby building occupants use common electricity and water supplies, to carry out renovation works and to wash their internal unit's floor areas.

For those cases, the Management served warning notices to those building occupants responsible. Under such circumstances, they paid nominal fees to the MCST, for the unauthorized usage of common electricity and water supplies.

All building occupants are not allowed to use common electricity and water supplies, without the consent of the Management. Anyone found committing such acts, will be liable for nominal fees ranging from \$30-\$100, payable to the MCST. Repeat offenders will be referred to the Police, for further actions.

We also appreciate that building occupants contact the Management Office, if they spot anyone committing these prohibited acts.

Thank you.

Yours truly,

Glenn Lim
Complex Manager
For and on behalf of MCST3564
